INTERNATIONAL BAZAAR FEATURES THE ISRAELI SANDWICH FALAFEL STAND

The International Bazaar held at PICC was a rousing success thanks to the help and coordination of Ambassador Vapni, Arvis Kennedy, Nancy Harel and the Rabbanit, and the Synagogue staff of Claire, Daday, MaiMai and Nonoy. We sold out of pita and falafel, and made a big dent in the other items we were selling. It was great fun.

BUBI KROHN'S LECTURE ON THE WAR YEARS IN MANILA

Bubi Krohn held us all enthralled with his telling of life in Manila before the war and during the war and right after the war. In his almost 2 hour lecture, we were all on the edge of our seats listening to his personal experiences. It is one thing to read from a book about the horrors faced here, it is another to hear it first hand by a survivor of it. The lecture was recorded, if anyone is interested to get a copy, please contact John Kater in the Synagogue office. The top black and white picture is the 1st Seder after the war. The next is the Gate at Fort Santiago where you can see over the gate the Star of David. The last picture is Kol Nidre 1945.

AVON IS MOVING

Since the early 1980's, when the new Synagogue was opened in Makati, the building the Synagogue was in has been rented by Avon. We have been very fortunate that for all these years the rental was able to cover most of the Synagogues overhead. As of December 1, they are leaving. We are actively trying to rent the building. In the meantime, we need all the help we can get. We need families and individuals who are not members to join. We will annualize all membership dues to begin January 1, 2010. If you have paid already for part of 2010, we will pro rate. But all dues will begin starting January 1. Please also update all of your membership information including birthdays, anniversaries, yortzeits. Any help we can get to rent the building will be greatly appreciated. Information is below.

Location: 1963 Taft Avenue Corner of Quirino Avenue

Floor Area: 1,500 sqm over 2 floors

Building will be available from December 1, 2009. There is parking in the front of the building.
